

## Cens electoral a data 9 de març de 2015

*El decret 58/2010, de 4 de maig, de les entitats esportives de Catalunya en el seu article 57 diu: Composició (referint-se a l'assemblea)*

2. Si els estatuts de la federació ho estableixen, també en formaran part els representants dels estaments federatius (tècnics, esportistes, jutges i àrbitres). Aquests representants s'han d'escollir per sufragi universal, lliure i directe entre tots els membres de l'estament en el moment d'iniciar el procés electoral de la federació. En qualsevol cas, els electors i escollits han d'acreditar la seva participació en la competició oficial federativa per a la temporada en curs o en la immediatament anterior. El nombre total de representants estamentals ha de ser inferior al 50% dels membres de l'assemblea general o, com a mínim, d'1 representant per estament.

És per això que encarrega a la Secretaria de la Federació Catalana de Pitch & Putt que elabori el cens d'electors que hauran de ser els esportistes de la nostra federació majors d'edat en la data de les eleccions que hagin jugat una competició oficial federativa en el 2014 o de l'1 de gener de 2015 al 9 de març de 2015, data en que es va iniciar el període electoral en publicar-se l'anunci d'eleccions.

S'entén per competicions oficials federatives aquelles que ha organitzat la Federació Catalana de Pitch & Putt, és a dir:

Campionats de Catalunya. S'inclouen fases prèvies.

Campionats de Catalunya per Equips

Copa Catalunya

Proves del Rànquing

Rànquing juvenil (si el jugador ja té en l'actualitat 18 anys)

Opens Internacionals i competicions EPPA/FIPPA on s'ha jugat en representació de la FCPP. S'inclouen fases prèvies.

Una vegada es tingui el cens confeccionat es publicarà per a que es puguin fer reclamacions sobre el cens abans de les votacions.

Per a poder votar caldrà:

- Ser major d'edat el dia de la votació
- Tenir la llicència de la FCPP al corrent de pagament
- Presentar document oficial (Document d'identitat, passaport, tarja de resident o carnet de conduir)
